

I N V I T A T I O N

Join the Minister for Environment and Heritage, the Honourable Robyn Parker MP, and representatives of the Wonnarua Nation Aboriginal Corporation as we celebrate the establishment of the first Biobank site for the Hunter Region, and the first Biobank site in Australia established by an Aboriginal group. The Biobank site will provide a biodiversity offset for the Hunter 8 Alliance Minimbah Bank project.

This is also an opportunity to see the nearby Baiame cave, home to stunning Aboriginal stencils, and a place of spiritual importance to Aboriginal people.

Date: Thursday March 22nd. Time: 10am. Venue: "Glen Anne" off Welsh's Rd Milbrodale (all weather gravel road). The venue is a 90 minute drive from Newcastle, about an hour from Maitland.
