

Aboriginal cultural heritage in NSW: A proposed new legal framework

The NSW Government is reforming the way Aboriginal cultural heritage is conserved and managed in New South Wales and is seeking your feedback to help refine the proposed new system. Information sessions have been held to explain the proposed new system. The presentations delivered at these sessions are available to watch at www.environment.nsw.gov.au/aboriginal-cultural-heritage-consultation

You are invited to attend a workshop to discuss the proposals and provide your feedback. Please note that some of the original workshop dates have changed. The closing date for submissions is 6 April 2018.

Information about how to provide feedback is available at www.environment.nsw.gov.au/aboriginal-cultural-heritage-consultation and includes options for providing feedback on-line, via letter/email or by making a verbal submission by calling 131555 (option 3).
